VisDev Artist Designer

Yool Park

A visual development artist and Designer who brings fresh, inventive stories through expressive characters and unique worlds, blending the familiar with bold creativity.

PROJECTS

“Dyeing with Balsam Flowers” - Director

Thesis Film | 2025 - 2026

- Directed and independently produced an animated short film, overseeing the entire process from concept to final production.
- Established the film’s visual language through color, composition, and atmospheric storytelling.
- Organized production workflow and collaborated with assistants to support completion.

“The Wasp and the Wildflower” - Color Artist, Compositing Lead

3rd year Group 2D Animation Film | 2024 - 2025

- Collaborated with a team of 12 on a group film project.
- Developed the overall color script to establish a cohesive visual style and effectively convey the film's narrative
- Utilized After Effects for compositing to finalize a polished, high-quality look.

“What is Love” - Character Designer, Animator, Editing

24h Animation Contest | 2023

- Collaborated with a team of 4 to produce a 30-second film within 24 hours
- Demonstrated strong skills in time management, teamwork, and animation production
- Ranked 9th out of nearly 400 teams worldwide

EXPERIENCE

Filmmaker Internship - GoLucky Studio

2025. 6 - 2025. 9

- Directed three original animated short films over a 3-month internship; collaborated on a team-based group film.
- Pitched and presented works-in-progress in regular critiques, refining projects through feedback.
- Participated in screenings and Q&A sessions, communicating creative intent.

Portfolio Tutoring

2023 - 2024

- Conducted virtual one-on-one critiques of student artwork
- Taught life drawing, character rotation, animation, storyboarding, and layout
- Provided draw-overs, assigned homework, and offered personalized feedback
